Purulia RKM Vidyapith ex-student and Doctor in our Telemedicine Service

The screenshot displays a Zoom meeting window. At the top, there are window controls and a 'Meeting Info' tab. Below this, a row of small video thumbnails shows other participants. The main area is split: the left side shows a medical software interface, and the right side shows a video feed of a doctor. The software interface includes a 'Local Patient' section, a 'WELCOME, KETIM SIKSHAN HALDABI' message, and a 'COURSE OF MEDICINE' table. The doctor's video feed shows a man with glasses and a blue shirt in a clinical setting. The Zoom control bar at the bottom includes 'Unmute', 'Stop video', 'Share', 'Record', and 'Participants' buttons. The system tray at the very bottom shows the date and time as 12:07 on 20-05-2021.

Patient's Information

The screenshot shows a Webex meeting interface. At the top, there are two video thumbnails: 'VS HUB 1 (Me)' and 'KALWARI STU'. Below them, the text 'Viewing KALWARI STU's screen' is displayed. The main content is a browser window showing a web application for 'vivekanjvani.in/MedX-Care/jsp/files/home'. The application has a navigation menu on the left with options like 'Patient Registration', 'Visit Patient', 'Patient Profile', 'Tele-Consultation', and 'Chat Module'. The main area features four blue buttons: 'Local Patient', 'Tele Patient', 'Tele Referred Status', and 'Admin Jobs'. Below these is a 'WELCOME, KALWARI ADMINISTRATOR' message and two orange buttons. The central focus is the 'PATIENT'S INFORMATION' form, which includes fields for 'First Name', 'Middle Name', 'Surname', 'Choose Religion', 'Marital status', 'Caste Category', 'Male', 'DPO ID', 'Hospital DPO Identity', 'Date of birth', 'Personal Identity', 'ID-Type', 'Aadhar-Card', 'Id No', 'Family Relationship', and 'Relationship'. The bottom of the screen shows the Windows taskbar with various application icons and the system tray displaying the time as 14:48 on 22-02-2023.

Chief Complaints

The screenshot shows a Webex meeting window with two participants: VS HUB 1 (Me) and KALWARI STU. The main content is a browser window displaying a medical software interface. The interface shows a patient profile for NAMEDHANNAN DEVA W/O, AGE 64 Years, 1 Month, 21, SEX: F, DEPARTMENT: . A modal window titled "CHIEF COMPLAINTS" is open, containing a table with columns "COMPLAINT", "DURATION", and "PERIOD".

COMPLAINT	DURATION	PERIOD
<input type="text" value="H I"/>	<input type="text" value="Duration"/>	<input type="text" value="day"/>
FEVER	A Visible Swelling At The Base Of Neck	DAYS
	Abnormal Heart Rhythm	
	Acidic Gurgling Feeling In The Heart	
	Apathetic	
Abdomin	Apprehension	day
	Back Chest Pain	
	Backache	
	Bad Patches	

The interface also includes a "History and Notes" section at the bottom of the modal. The Webex meeting controls at the bottom show "Mute", "Stop video", "Share", and other options. The system tray at the very bottom shows the date and time as 14:50 on 22-02-2023.

Physician Assignment

The screenshot displays a Webex meeting window. At the top, there are two video thumbnails: 'VS HUB-1 (Me)' and 'KALWARI STU'. Below them, the text 'Viewing KALWARI STU's screen' is visible. The main content is a web browser window showing a 'vivekanjanvani.in' portal. The browser address bar contains the URL: `vivekanjanvani.in/medix-Care/js/ptlrs/index1.jsp?templabid=1&menuid=bead1&dest=patientAll&atabid=KALW0093101230001`. The page features a sidebar on the left with options: 'Visit Patient', 'Patient Profile', 'Tele-Consultation', and 'Chat Module'. The 'Chat Module' is active, showing a 'Connected!' status. The main area has a 'Choose Physician' dropdown menu and a table of patient assignments. The table has columns for SNo, Select, PatientName, PatientID, Category, and Assigned Physician. The bottom of the Webex window shows a control bar with buttons for 'Mute', 'Stop video', 'Share', and other meeting controls. The Windows taskbar at the very bottom shows the time as 14:51 on 22-02-2023.

Upload of Diagnostic Test Reports

The screenshot displays a web-based medical interface for 'iMediXcare'. The page is divided into several sections:

- Tele-Consultation:** Shows patient vitals: Temperature: 36.0 °C, Body Weight: 56 kg, Pulse: /minute, Blood Pressure: 165/76 mmHg, and Blood Sugar(Random): 128 mg/dL.
- DIAGNOSIS:** Lists 'Chronic Obstructive Pulmonary, Hypertension, ALTERED BOWEL HABIT'.
- MEDICINE:** A table listing various medications with their quantities, doses, and durations.
- Upload Report Form:** A form highlighted with a red box, containing fields for Description, Laboratory Name, Doctor Name, a date selector (set to 19/08/2022), and an Upload button.
- NEXT APPOINTMENT DATE:** Shows '02-09-2022'.
- Date & Time:** Shows '19.08.2022 2:58 PM'.
- Signature:** 'RAHUL YADAV'.

At the bottom, a Windows taskbar is visible with various application icons and system tray information including the time '21:56' and date '19-08-2022'.

Medicine Dosages

The screenshot displays a Webex meeting window. At the top, there are three small video thumbnails of participants. The main content area is split into two parts. On the left, a medical software interface is visible, featuring a sidebar with navigation options like 'Visit Patient', 'Patient Profile', and 'Lab Contribution'. The main window of the software shows a 'PRESCRIPTION' form with the following sections:

- ADVICE FOR INVESTIGATIONS:** Includes dropdown menus for 'Frequency' (SELECT) and 'Pathology' (SELECT).
- COURSE OF MEDICINE:** A table with columns for 'NO', 'TYPE', 'NAME', 'DESCRIPTION', and 'ACTION'. It contains two rows of medication data:

NO	TYPE	NAME	DESCRIPTION	ACTION
1	Oral	Multivitamin MVI M	11 U	[Icon]
2	5 MI	Amoxicillin Clavulanic Acid 500	5 D	[Icon]

Below the table is a 'NEXT APPOINTMENT DATE' field. On the right side of the meeting window, a large video feed shows a man with glasses and a white shirt. At the bottom, the Webex control bar includes buttons for 'Mute', 'Stop video', 'Share', 'Record', and 'Participants'. The system tray at the very bottom shows the date and time as 16:38 on 24-06-2021.
